

Mrs. Roberts' & Mrs. Davis' Kindergarten Weekly Newsletter

April 3rd - April 7th, 2017

I hope you all had a wonderful break! I feel like all students are improving each week as they get used to the school environment. I hope you do as well. Here is an overview of what our week will look like. If you have any questions or concerns about anything please don't hesitate to call, text, send a note, or email me!

Email: lindsey.roberts@k12.wv.us

Report cards went home last Thursday, March 30th. Please sign and send back the envelope!

Upcoming events are listed on the back of this newsletter!

Letter of the Week: Long /o/ Sound Math Activity of the Week: Subtracting Single Digit Numbers

***Handwriting**: We will work on writing past letters, numbers 1-20, names, and our sight words.

***Reading/Sight Words**: We will work on our new sight words "look" and "where" and focus on the long /o/ sound and reviewing past letters (recognition, sound, and writing). We will also be learning about how things in nature can make new things.

***Math**: We will continue working on learning how to subtract small numbers. We will continue to work on days of the week, months of the year, as well as counting 1-100 by ones, twos, fives, and tens. **Please practice counting to 100 by ones, twos, fives, and tens with your student at home!**

***Science/Social Studies/Art/Leader in Me/Greenhouse**: We will plant a classroom garden to watch it grow over the next few weeks. We will also be working on the 3 R's (Reduce, Reuse, Recycle). If possible, please help your student bring in some scrap material for them to make art with (fabric, newspaper, plastic, etc.) by Tuesday. We will have a read-aloud and craft activity on Friday.

* **REN/Behavior**: Don't forget, a sheet will be sent home nightly in your student's folder. It will let you know how their behavior was for the day. It will also have a spot for you to write what book your student read/you read with them that evening. **Remember to read every night (Monday-Sunday) for at least 15 minutes. REN sheets are due every Monday.** Don't forget you can check your child's folder and Class Dojo to see how your child behaved throughout the day.

* **Programs to work on at home: Starfall.com, abcv.com, tumblebooks.com, and Splashmath.com**

Attendance Incentive: Wear your favorite hat/cap (Only if your student has been here all day, every day this week)

***Homework**

Monday: Practice sight words-Please return the sight word book by Friday/ Bring in some scrap material for them to make art with (fabric, newspaper, plastic, etc.)

Tuesday: Write and draw a subtraction story problem to share with the class. (EX: Alex had 5 crackers. He ate 2 crackers. How many crackers does he have left?) Have your student draw a picture to go with it and write the number sentence/problem, but leave the answer blank, so we can solve it together in class (5-2=___).

Wednesday: Two students will select a mystery item (ONLY ONE ITEM) to bring in and have the other students guess what it is. Please send it back in the bag that will be sent home with your student on Wednesday. Only two students will do this a week.

Thursday: Read his/her library book. **Please return the book on Friday.**

Friday-Sunday: Bring in something that uses the long /a/, long /i/, or long /o/ sound (EX: bait, kite, or boat).
