Letter of the Week: Review past letters

Number of the Week: 12

***Handwriting**: We will work on writing past letters, names, and our sight words.

***Reading/Sight Words**: We will work on our new sight words "four," "five," and "six" and focus on reviewing past letters (recognition, sound, and writing). We will also be learning about how we can help in our community.

***Math**: We will focus on the number 12 and what it represents, as well as how to write it. We will continue to work on days of the week, months of the year, as well as counting 1-100 by ones, twos, fives, and tens. **Please practice counting to 100 by ones, twos, fives, and tens with your student at home!**

***Science/Social Studies/Art/Leader in Me/Greenhouse**: We will spend the week reading the Magic Treehouse book A Ghost Tale for Christmas Time before seeing the play on Friday and learning about what we will do on our field trip.

***REN/Behavior**: Don't forget, a sheet will be sent home nightly in your student's folder. It will let you know how their behavior was for the day. It will also have a spot for you to write what book your student read/you read with them that evening. **Remember to read every night (Monday-Sunday) for at least 15 minutes. REN sheets are due every Monday.** Don't forget you can check your child's folder and Class Dojo to see how your child behaved throughout the day.

***Please have your student continue to practice typing his or her name and number on the keyboard, so they can log on to the school computers more easily. They can also work on Splash Math at home. This is a great program to help them with counting!**
