

Mrs. Roberts' & Mrs. Davis' Kindergarten Weekly Newsletter
January 2nd - January 6th, 2017

I hope you all had a wonderful break! I feel like all students are improving each week as they get used to the school environment. I hope you do as well. Here is an overview of what our week will look like. If you have any questions or concerns about anything please don't hesitate to call, text, send a note, or email me!

Email: lindsey.roberts@k12.wv.us

PTO Meeting-This Wednesday, Jan. 4th at 2:30 in the library. Please come support our school!

No School on Friday, Jan. 13th and Monday, Jan. 16th.

Letter of the Week: Ee

Number of the Week: 14

***Handwriting**: We will work on writing the letter Ee, past letters, the number 14, names, and our sight words.

***Reading/Sight Words**: We will work on our new sight word "are" and focus on the letter Ee (recognition, sound, and writing). We will also be learning about how trees change and grow.

***Math**: We will focus on the number 14 and what it represents, as well as how to write it. We will continue to work on days of the week, months of the year, as well as counting 1-100 by ones, twos, fives, and tens. **Please practice counting to 100 by ones, twos, fives, and tens with your student at home!**

***Science/Social Studies/Art/Leader in Me/Greenhouse**: We will spend the week learning about winter trees and how trees change in the winter. On Friday we will have a read-aloud and art activity.

***REN/Behavior**: Don't forget, a sheet will be sent home nightly in your student's folder. It will let you know how their behavior was for the day. It will also have a spot for you to write what book your student read/you read with them that evening. **Remember to read every night (Monday-Sunday) for at least 15 minutes. REN sheets are due every Monday. Don't forget you can check your child's folder and Class Dojo to see how your child behaved throughout the day.**

* **Please have your student continue to practice typing his or her name and number on the keyboard, so they can log on to the school computers more easily. They can also work on Splash Math at home. This is a great program to help them with counting!**

Attendance Incentive: Crazy hair (Only if your student has been here all day, every day this week)

***Homework**

Monday: Practice sight words-Please return the sight word book by Friday

Tuesday: Create the number 14 out of materials found around the house. (Ex: Glue cereal onto paper in the shape of the number 14). Practice counting to 100 by 10s, 5s, 2s, & 1s.

Wednesday: No homework.

Thursday: Read his/her library book. Please return the book on Friday.

Friday-Sunday: Bring in something that starts with the letter F for Show and Tell on Monday.
