

## Valentine List

This year we are not having a traditional Valentine party. We are having a Valentine dance on Feb. 10, Friday from 6-8 instead of a school-wide party. We will still exchange our valentines during morning snack. If your student would like to make a box at home and bring it in on Feb. 14 for our exchange that is okay. If they do not want to make one at home, that's okay, we will make a box here at school. I can help provide valentines for any students that are unable to get some. Please just let me know.

Thank you,

Mrs. Randolph
